@egutibanes you deserve your own @theFIRE_trial gif! Third patient here we go

How to find the Informed Consent Form of your center in the eCRF website

The screenshot shows the eCRF website interface. On the left, a dark sidebar contains a menu with 'Clinical Studies' highlighted. A red arrow points from the title to this menu. Below 'Clinical Studies' are 'Home Page Patient', 'Upload', 'eQuery', and 'Documentation'. An orange arrow points from the 'Upload' button to the 'Upload' table. The main content area displays 'GENERAL STUDY INFORMATION' for the FIRE trial, including the name, creation date, number of centers, duration, start and end dates, description, and ICE version. A 'SHORTCUT' section shows three metrics: 'N° of patients enrolled in last 30 days' (14), 'Total of patients enrolled' (15), and 'Total patients enrolled for the entire study' (22/1400). The 'Upload' table lists 10 entries, each with a download icon, file name, size, extension, and upload date. A green arrow points from the 'Upload' button to the first row of the table. The table shows the following data:
